

Trades Taster 2018 – Session Summary

Session Date: 24/8/2018
Week 5

Trade Focus: CI Card
(Jeff - called in at last minute)

Attendance summary:

All present except for Mason who did not attend due to already having his CI Card.

Summary/learnings around session:

- * Students spent the day listening and learning about the CI Card and the importance of these cards for being able to be on site.
 - Students went through power point presentation with Jeff, responded when required.

Challenges:

- * The instructor was late which meant a late start, however the students handled it very well and were patient.
- * The instructor was actually called in at last minute and therefore didn't have booklets for students and the students also have to do testing next week.
- * There was a day of sitting, listening and reading - this was handled very well by the students overall.

Celebrations:

- * Students were very well behaved - having to sit and listen rather than doing - they handled this extremely well.
- * Students asked some really good questions to clarify understanding.

Reminders:

* Next week is testing for CI Card - will take about 1 hour.

What to communicate to schools.....

Students will be doing testing during the session next week for CI card.

NOTES:

- * 2 students returned late from lunch - apologised for lateness but did question time due to be set go a bit later (discussion had around following instructions and not taking own view of entitlement. (Caylen and
- * Students did do a good job today considering that there was no hands on work for them to get into - they answered questions and asked question appropriately
