

Trades Taster 2018 – Session Summary

Session Date: 7/9/18
Week 7

Trade Focus: Plumbing.
(Brett)

Attendance summary:

Only 9 attended this session.

Josh O- still on extended family holiday - communicated by school.
back next week.

Summary/learnings around session:

Mehdi completed his CI assessment as he was absent last week.

The morning task was to complete a plumbing fitting with copper and plastic pipe. They then connected all together and tested the connections under water pressure. Then disconnected all.

The afternoon task was to measure correctly and cut out shapes from sheet metal.

Challenges:

- Poor attendance
- Boredom at lunch break
- 3 still haven't completed CI card assessment.

Celebrations:

- completed all hands on tasks well
- more prepared for lunch this week
- All had correct footwear this week.
- Took the time and effort to remake their metal shapes if their measurements were incorrect.

Reminders:

What to communicate to schools.....

- Next week is building + construction at William Orr.
- Last session for the term next week.
- Caylem, Jordan, Soo, Anthony, James + Dylan - Schools to chase up absences from this session.

NOTES:

Next time - A football or basketball would have been well used during the lunch break at William Orr.
